Department of Global Communications  
United Nations

Al-Nahrain University has officially joined the United Nations Academic Impact (UNAI) initiative, becoming part of a global network of over 1,700 institutions in 156 countries. This step highlights the university's commitment to global values such as peace, human rights, inclusive education, and sustainable development.

# Al-Nahrain University Joins UN Academic Impact (UNAI)

The screenshot shows the Round University Ranking (RUR) website interface. At the top, the logo for RUR (Round University Ranking) is visible. Below the logo is a search bar labeled "Search university". A blue "Filter" button is located below the search bar. To the right of the filter button, there are options for "Sort by:" and "Show by:". The "Show by:" section has a dropdown menu labeled "Select an option" with buttons for "10", "25", "50", "100", and "All". Below these options, it says "Result 48". To the right of the results, there are "Print" and "Save" buttons. The results list shows three universities:

University	Country	World rank	Country rank	University score
University of Baghdad	Iraq, Baghdad	682	1	50.238
Mustansiriyah University	Iraq, Iraq	796	2	45.335
Al-Nahrain University	Iraq, Baghdad, Iraq	879	3	41.377

For the first time, Al-Nahrain University has entered the Round University Ranking (RUR), achieving third place nationally among Iraqi universities. This milestone reflects years of dedicated efforts to improve academic data and performance without any financial cost, reinforcing the university's commitment to global standards in education and research.

# Al-Nahrain University Becomes Official IELTS Test Center

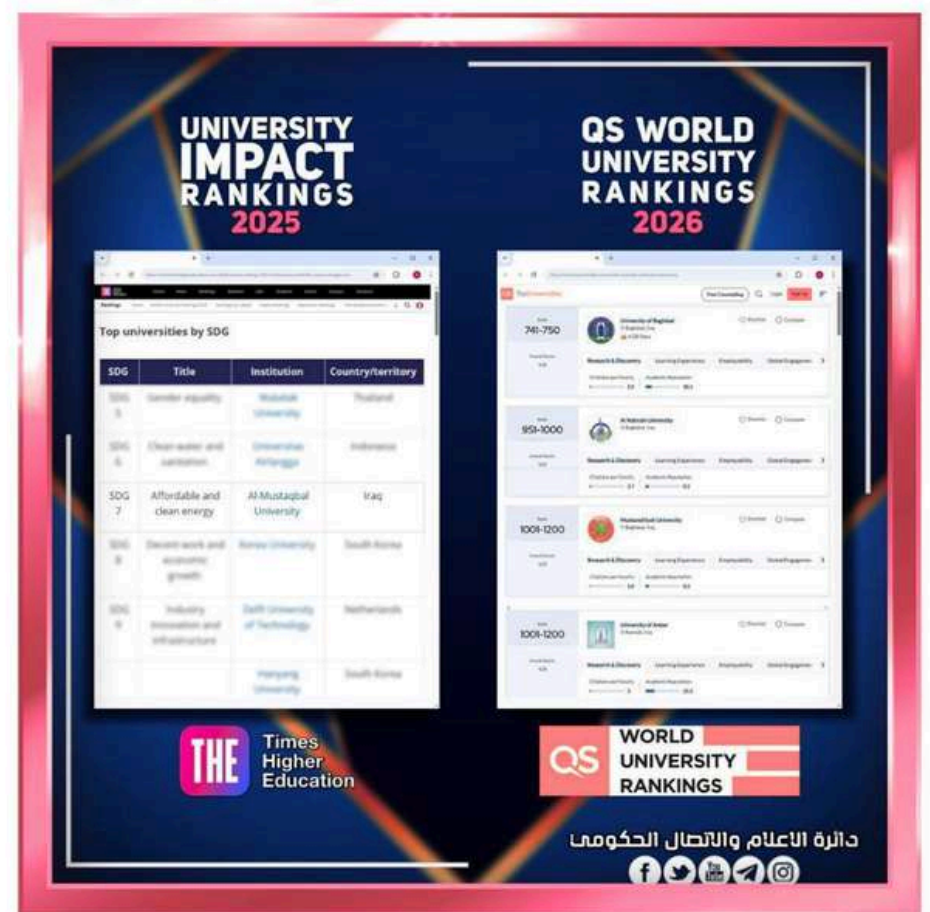

The British Council has officially approved the College of Engineering at Al-Nahrain University as an IELTS test center, following a successful pilot exam held in May 2025. This milestone enhances the university's academic services and supports students and researchers in pursuing global academic and career opportunities.

## Ranked Among Top Global Institutions

جامعة النهرين  
ضمن أفضل الجامعات العالمية في تصنيفي QS والتايمز للتنمية المستدامة

قسم الاعلام والاتصال الحكومي

Al-Nahrain University has been ranked in the 951–1000 category of the QS World University Rankings 2026, reflecting its growing academic and research reputation. The university also secured a strong position in the Times Higher Education Impact Rankings 2025, recognizing its contributions to the UN Sustainable Development Goals. These achievements highlight Al-Nahrain's commitment to global quality standards and its role in advancing education, research, and sustainable development in Iraq.

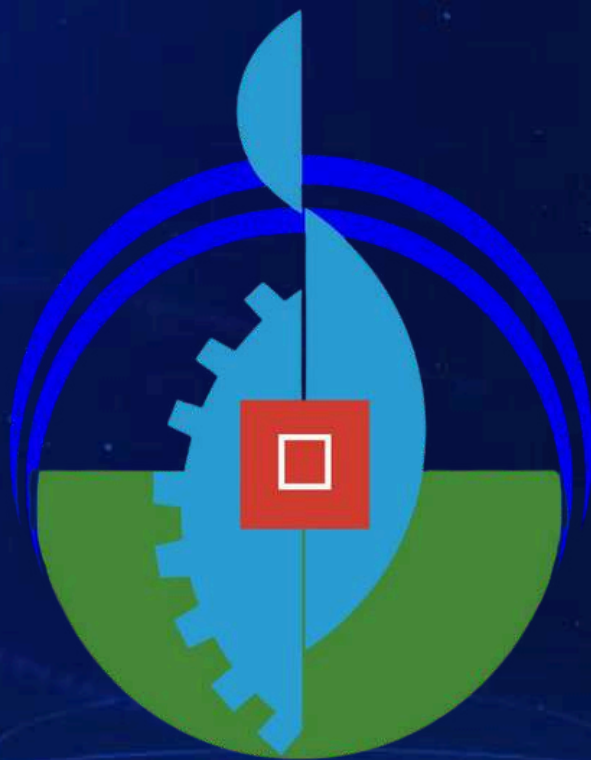

# **Al-Nahrain University Launches Eco-Friendly Lake Project**

**As part of its sustainability efforts, Al-Nahrain University has completed the construction of an artificial lake on campus. The project aims to support green spaces, manage seasonal water shortages, and promote efficient use of natural resources. Designed to collect and reuse rainwater, the lake reflects the university's commitment to environmental responsibility and sustainable development.**
